SEASONAL
CALENDAR
March-April
2020

Dear Hilltop Residents,

As Spring approaches, warm up to neighbors, share meaningful traditions and create new memories together at these community gatherings. Who knows, you may even discover something new to try!

This publication is intended to provide a snapshot of the upcoming season so you can save the dates on your calendar. It does not include all events and programs planned for the Hilltop residents. So, continue reading the Hilltop's weekly eNewsletter, *This Week*.

While we do our best to confirm events and activities for the entire season, modifications to the calendar may be required. If that occurs, we will communicate any changes as quickly as possible. You will continue to find thorough details and registration information for current events and activities on the community calendar on lifeatinspiration.com.

We look forward to sharing in the wonder and excitement of a new season with you.

Enjoy!
